Sir,

On the above said subject and reference, Dr.Gill had raised significant objection on the  
said research project AF 05.12 taking into consideration the layout plan.,etc.

Under no circumstances the said project was worth to be continued, though it is again  
reported in the CAFRI Annual report 2015-16 from page number 15 to 23 (Nineteen pages)  
which is published by Dr.O.P.Chaturvedi, Director, CAFRI. A total waste of tax payer's money.

Thus, under the RTI act 2005 please provide the following certified information  
"Action taken report (ATR) on Dr. Gill letter of dated 30.01.16 by the Director, CAFRI,  
Jhansi"

For providing the information, Rs.10.00 (IPO) as the fee enclosed

Encl:

Yours faithfully

Copy to the Private Secretary to the DDG (NRM), ICAR, New Delhi-12. It only reflects  
how these matters are taken so lightly by the Director of an Institute, Jhansi or he is not so  
much competent to decide what is right and what is wrong.
