Subject: Research Project entitled "Analysis of Eucalyptus based agroforestry systems for crop lands in Jhansi" with its budget estimate of Rs.236 lacs

Sir,

On the above said subject, the project was initiated by Dr.O.P. Chaturvedi, Ex. Principal Scientist, NRCAF, Jhansi [Presently, he is the Director, CAFRI, Jhansi (UP)]. For the said project there were two big controversies. **First is that it does not have the RPF III and the second is about its huge budget.** Keeping this in mind please provide the following information under the RTI act 2005 taking into consideration Dr.Gill RTI application of dated 08.05.16 and the information as provided by the CPIO,CAFRI,Jhansi vide his letter dated 08.06.16 on the sad RTI application.

1. The In-Charge PME cell, CAFRI, Jhansi vide his letter dated 23.05.16 for RPF III had quoted "**ICAR guidelines 2014**". Thus, the CPIO, CAFRI, Jhansi is requested to provide the certified copy of the "**ICAR guideline 2014**".
2. The In-Charge PME cell gave a controversial statement vide his letter dated 23.05.16 that in RPF-I the budget estimate was tentative and there is no any provision of **Project Based budgeting for institutional projects**. The question is that the information as provided was based on the personal information generated by I/C PME Cell or based on Council Guidelines or any Council Circular. Therefore, if there is any Council guidelines/circular, please provide the certified copy.
3. Kindly give the name and designation of the I/C PME Cell, CAFRI, Jhansi who had issued the letter of dated 23.05.16 concerning the CPIO, CAFRI Jhansi (UP) letter of dated 08.06.16 as addressed to Dr.Gill.

For providing the information, Rs.10.00 (IPO) as the fee enclosed

Encl: IPO No. 614633

Yours faithfully

(A.S.Gill)
