

“Brief Report of Swachchhata Hi Seva”

Today on 20.9.2018, lectures were organized on Swachchhata in conference hall of ICAR-CAFRI, Jhansi at 9:30-10:15 AM. All staffs including Director of the institute participated in the event and expressed views on need for cleanliness. Cleanliness was correlated with hygiene and productivity at work place.

Afterwards all staff moved to residential quarters in the campus and went door to door to inculcate cleanliness through sorting of biodegradable and non-degradable waste for recycling and converting wealth out of waste. Cemented waste pit was found full of no-biodegradable wastes in surroundings. It was decided to clean the approach of pit and ensure placement of waste in pits. Total 43 staff, members participated in the event. Report submitted for information, records and further necessary action at the council.

Dr. R.K. Tewari
Nodal Officer
