

Online Review of ICAR – CAFRI, Jhansi on 23rd May, 2020

In the series of online review meeting of NRM Institutes initiated by Dr. S. K. Chaudhari, Hon'ble Deputy Director General (NRM), ICAR, since 06.05.2020, the progress of ICAR – Central Agroforestry Research Institute, Jhansi and AICRP on Agroforestry was reviewed on 23.05.2020 between 16-18:30 hrs. The review meeting was attended by about 150 participants including Dr. S. Bhaskar ADG (Agro., AF&CC, NRM Division), Directors of all NRM institutes, heads of Regional Centres of NRM institutes and scientists from CAFRI and other NRM Institutes on zoom platform. All Directors of NRM Institutes actively participate and contribute in these meeting. Research achievements of past three years and future plan of research for the CAFRI and AICRP on AF was discussed at length and critical suggestions were invited from participants for planning technical programme for next five-year plan. Dr. R. K. Tewari, Director, ICAR- CAFRI, Jhansi presented the achievements of ICAR-CAFRI between 2017-2020 and future line of work for 2020-2025. Dr. A.K. Handa, Principal Scientist (Agroforestry) presented the achievements of AICRP on Agroforestry and elucidated future plan. The presentations were appreciated by one and all. Highly relevant and valuable suggestions were provided by Hon'ble DDG, ADG (AAF&CC), and Directors of NRM institutes. The DDG interacted with other scientific colleagues of the institute and sought their opinion for planning of the research programmes so as to benefit farmers by way of offering technical solutions for doubling farmer's income by 2022. Director, CAFRI, Jhansi assured that institute will try it's best to incorporate maximum possible suggestions of all the participants in new EFC 2020-25. Meeting ended with vote of thanks to Hon'ble DDG, ADG, Directors of NRM institutes and all those participants who were online.
