

On the eve of World Environment Day, Dr. A. Arunachalam, Director, ICAR-CAFRI inaugurated the Palmyra Palm Plantation Project in the State of Tamil Nadu. About 5 lakh palm seedlings would be planted in different parts of the State by December 2021. Today, the first seedling of palmyra palm was planted virtually by Dr. Arunachalam in Tirunelveli district. The project is implemented by Thzhuvam along with FPOs and other agencies in the State.
